

### **Request to Present**

*“Knowledge is only potential power; it becomes power only when it is organized into definite plans of action and directed to a definite end”-  
Napoleon Hill.*

The COAD is invested in bringing the community, the most innovative and current information available to mitigate the effects of disasters and restore normalcy. This is very dependent on information sharing and the COAD needs YOU! If you or your organization would like to present at one of our meetings, we would love to hear from you. Please reach out to us and someone from the leadership team will respond with one business day to schedule a time for further discussion!
